

International Six Metre Association

Dear potential Participants in the **1st ISMA-Spring-Conference** in Munich on March 5<sup>th</sup> and 6<sup>th</sup>, 2015

As promised, here some standard hotel rates for the relevant dates from Munich Hotels which we all know and can recommend.

The prices are taken from their booking website and do not reflect possible group discounts. Once we know how many people would like to go the individual hotels, we can try and negotiate better rates.

These are:

**Motel One**

Rablstraße 2, 81669 Munich

([www.motel-one.com](http://www.motel-one.com))

Single	Double
69,00 €	84,00 €

**Hotel Prinzregent**

Ismaninger Straße 42-44, 81675 Munich

([www.hotel-prinzregent-friedensengel.de](http://www.hotel-prinzregent-friedensengel.de))

**Hotel Opera**

200,00 €	325,00 €

To make it easier for you to control our own booking and reduce our workload, I would tentatively recommend that each of you books his/her hotel room directly or via one of the hotel booking platforms.

Should I have a clear indication for larger groups, going to the same hotel, we could take over the reservation for you, but would like to collect the hotel fares in advance, so that we are not left with costs in case of last minute changes or cancellations.

The program for the official session starting Thursday the 5<sup>th</sup> of March at 2 p.m. and ending on Friday the 6<sup>th</sup>, at 6 p.m. with following dinner, will be published shortly.

Best regards
